Since 1967

Product Line Card

©hydrovane
rotary vane compressors

Rotary Screw Air Compressor

- 5 to 500 HP
- Variable Speed & Fixed Speed
- Oil-Flooded & Oil-Free Design

Reciprocating Air Compressor

- 1-1/2 to 30 HP 2-Stage Pump
- Booster and High Pressure Pump

Dryers

- Refrigerated
- Desiccant

Compressed Air Accessories

- Refrigerated & Desiccant Dryers
- Filtration
- Receiver Tanks
- Condensate Drains
- Pressure Relief Valves
- Oil-Water Separator
- Demand Expanders
- Compressor Controls
- Compressor Lubricants
 - Aeon & Syn-Flo
- Modular Piping
- FRL's
- Hose Reels
- Nitrogen Generators

Vacuum Pumps/Blowers

- Side Channel, Liquid Ring, Oil Seal, & Rotary

Controls & Instrumentation

- Solenoid Valves
- Sensors
- Transducers
- Pressure Switches
- Temperature Switches
- Pneumatic Controls
- Gauges and Thermometers
- Digital Gauges
- Magnahelic & Mercoid Switches
- Flow Meters
- FRL's

Steam Solutions

- Pressure Power Pumps
- Electric Return Pumps
- Steam Traps
- Strainers
- Heat Exchangers
- Angle Body Valves
- Steam Solenoid Valves
- Safety Valves
- Regulators
- Boiler Feed Pumps

Pump & Process

- Double Diaphragm Pumps
- Drum Pumps
- Self Priming, Flexible Impeller Pumps
- Solenoid Valves 2,3,&4 Way
- Angle Body Piston Valves
- Control Valves
- Flow Meters
- Sight Flow Indicators
- Swivel Joints
- Load Arms
- Expansion Joints
- SS Hoses
- Hose – Metal & General Purpose
- Steam, Water & Liquid Controls

Heat Exchangers

- Shell & Tube Exchangers
- Plate & Frame Exchangers
- After-coolers
- Moisture Separators
- Condensate Drains
- Specialty Shell & Tube

Services

- Rental Air Compressors
- ESP20/20 Air Survey & Audit
- Compressor Maintenance
- Contract Maintenance
- Parts – OEM & Aftermarket
- Aired Rebuilds
- Landfill Gas Compressors
- We support all major brands
